

The Illusion of Redress and Redistribution: South Africa, Namibia and Black Economic Empowerment

Bianca Braganza

ABOUT CHRLP

Introduction

The Centre for Human Rights and Legal Pluralism (CHRLP) is a research and teaching centre at the University of Cambridge. It was established in 2015 and is part of the Faculty of Law. The Centre's mission is to provide students, staff, and the wider community with a deep understanding of the complexities of human rights and legal pluralism. The Centre's research is interdisciplinary and draws on a wide range of disciplines, including law, anthropology, sociology, and political science. The Centre's teaching is also interdisciplinary and draws on a wide range of disciplines, including law, anthropology, sociology, and political science.

Mission

The Centre's mission is to provide students, staff, and the wider community with a deep understanding of the complexities of human rights and legal pluralism. The Centre's research is interdisciplinary and draws on a wide range of disciplines, including law, anthropology, sociology, and political science. The Centre's teaching is also interdisciplinary and draws on a wide range of disciplines, including law, anthropology, sociology, and political science.

Research

The Centre's research is interdisciplinary and draws on a wide range of disciplines, including law, anthropology, sociology, and political science. The Centre's research is also interdisciplinary and draws on a wide range of disciplines, including law, anthropology, sociology, and political science.
